

STRATEGIC GOVERNANCE PLAN FOR RURAL DEPOPULATION IN ASTURIAS, CANTABRIA, CASTILLA Y LEÓN AND GALICIA (RESOE)

KICK-OFF EVENT

■ What is the issue?

The RESOE regions of Asturias, Cantabria, Castilla y León and Galicia in Spain have a high degree of rurality, and are facing challenges associated with population decline and ageing. The project *Strategic Governance Plan for Rural Depopulation in RESOE* aims at designing an action plan for each region and a common strategy for the four regions. This event marks the kick-off of this project.

■ When?

December 2nd 2020.

■ Where?

The event will be virtual (Zoom).

■ Objective

The kick-off event marks the start of the project and brings together policy makers from RESOE and other OECD regions, national and international experts, an analysts from the OECD and the European Commission to collect information and policy experiences, share knowledge and establish networks. It includes expert debates on four relevant topics to OECD rural regions facing depopulation: quality service provision, digitalisation, governance, and social entrepreneurship and innovation.
